

VACANCY

Have you considered being a school governor?

Water Hall Primary School has vacancies for Co-opted Governors to join the local governing body. We would be delighted to hear from anyone who has:

- An interest in the performance of the school
- An open and enquiring mind and the ability to look at issues objectively
- The confidence to ask questions and join in debate
- A willingness to listen and make informed judgements
- The ability to work well with others
- Some time to spare (6 full meetings per year, usually held early evening)

If you have the time, skills, energy and commitment for this rewarding and fulfilling role we would love to hear from you. We are keen to hear from experienced governors or those new to school governance. Training and development will be provided.

Contact: Claire Beck, Governance Professional.
