**Headteacher: Miss Becky McGuire**

30th December 2020

Dear Parents and Carers

### Delayed reopening of school

I am sure you will have seen on the news this evening that the Government have commented on a delay to the reopening of some primary schools in parts of the country where the infection rate is high. Milton Keynes falls into this category. This means that we will not be reopening to all children on Tuesday 5th January 2021. Children who are allowed into school are children whom the Government class as vulnerable and children of key workers.

To start, we need to know the number of **key worker children** who will be accessing face to face learning. If you are a key worker and need a space for your child then please fill out the form below. The deadline for this form is MONDAY 4th JANUARY 2021 @ 10am. Please read the instructions on the form carefully.

<https://forms.gle/W1z3koe1rEAsJh6>

***School will make contact with those classed as vulnerable.***

For the rest of the children, online learning and learning packs will be available from Tuesday 5th January.

If you do have any questions then I ask that you email them to covid@waterhallprimary.co.uk until staff are back in school next week and can take phone calls.

Thank you for your continued support, I will be in contact again very soon.

Becky McGuire  
Head Teacher
