Dear Parents / Carers

**Free School Meal Update.**

I am sure that you will have seen the press coverage recently about the Free school meal provisions across the country. The quality of the hampers that are being provided are not of a high enough quality. The government has released that schools will be able to access FSM vouchers as we did during the first school closure.

We know that providing vouchers is the best option and so we will be signing up to these vouchers again when able to do so. Please keep an eye out for communication from us over the next few days as it will give you the information in which you will need.

Thank you for all your support. Please remember if you have any worries, questions or queries then please do get in touch with school either via the school office or [covid@waterhallprimary.co.uk](mailto:covid@waterhallprimary.co.uk)

Kind regards

Becky McGuire  
Head Teacher
